

The background features a complex network of white nodes connected by thin purple lines, set against a gradient background that transitions from dark purple at the top to a bright pink at the bottom. The nodes are scattered across the frame, with some forming distinct geometric shapes like triangles and polygons. The overall aesthetic is modern and digital.

Out of the Blue

By Janice A. Thompson

Out Of The Closet

Katie Walken has been running most of her lifeâ€™from her Amish upbringing, from her familyâ€™s expectations, and from an arranged marriage to Karl Borg. Now a real estate agent, Katie feels she finally has the life she always wanted. . .or does she?

Out of the Blue

Out Of The Box

Karl lost his love when she fled from their future in Amish country. Leaving home, too, he became an attorney. But his heart remains with Katie.

Out Of The Barrel

When Katie and Karl are reunited, they seem to have a second chance at love. Will they allow God to help them face their past while looking toward their future?

A fun short novel about a couple who once knew each other as Amish youngsters, and who meet unexpectedly in a realtor's office years later. (Which was hilarious, since it involved an upturned coffee cup on Katie's head...you might wish to read the book just for that laugh. And perhaps for the scene of Karl driving a wagon wearing jeans and talking on a cell phone while a tourist snaps a photo...)

I liked how they worked through their relationship and how Katie handled her father's illness. “Out of the Blue” is the 3rd book in the Red, White and Blue Weddings series. These books don’t connect at all so you can really read them in any order. I really loved the first two books so I was looking forward to this one. Well, it definitely wasn’t as good as the others. I found “Out of the Blue” to be a little boring and I had a harder time trying to finish the book. I also didn’t care for the Amish storyline. The Amish people just did not come across to me as very natural characters. The book “Out of the Blue” is the 3rd book in the Red, White and Blue Weddings series. This was a very light romance, was listed as Christian romance. Very easy read, 170 pages. Two people left the Amish life and twelve years later they find each other again. A few minor bumps and they get married. Cute story, quick to read, unfortunately I probably won't remember it a year from now.

Out Of The Office Message

Another Amish story.

Another Amish book I enjoyed reading. I can't wait to read the other books in the Red, White and Blue series.

I read this on the Kindle

I had not read any of this authors books before & while yes this is in the Amish Genre it not a full Amish story like some but not fully a Englisher Romance

This is about Katie & she runs away from her Amish family & roots also from Karl who she is going to marry

12 years later they meet up & in true fiction style they still have a thing but when her dad is taken ill she goes home to see him he passes away & Karl is there to not only pay his respect but I read this on the Kindle

But then on returning to the city something happens which could break them apart (won't say what as don't wish to spoil it for you)

This was a easy going read but you still wanted to read it to see what happens if they get together do they both or one of them go back to being Amish or will the English world be too much & keep them there ...more

Really loved this book, definitely worth reading. ...more

I liked this story and even as I read it, I also knew it probably wasn't for everyone. Why? Because it shows faith and reliance on God in action. Not everyone wants to read that or likes to even. But I did and also found that I liked the personalities of both Katie and Karl. They were sweet, faithful and both people of integrity. Their lives had changed so much since they left their community but there were still some good things that remained unchanged too. Out Of The Past

Katie and Karl have loved each other since childhood, but when Katie was 17 she ran away wanting a different lifestyle. Now it is 12 years later and Karl is buying a house and Katie is the realtor.

As they realize they still love each other, they grow closer.

This is an extremely inspiring story, they love God so much and give over all their issues to Him. I loved how they prayed for their relationship and their families. They made God the center. Wonderful story.

How long will Katie run from the Amish life, family expectations, and love? Then Karl leaves the Amish life too and becomes a real estate lawyer. Katie is a realtor. Does the shock of meeting up again after all these years mean anything? . After 12 years can Karl forgive her and give her a second chance? This book was an awesome quick read. I loved the story theme of love, forgiveness, and growing in God. I was given a copy for an honest review.

When I began this novel, I didn't realize it was a former Amish romance. I've read MANY Amish romances, but this was a first where two former Amish reconnect after many years. I really liked this audio book. I want to read more from this author!!

I've read several Janice Thompson books which were light hearted and fun. This was not. It was a good romance, to be sure. But there were serious topics and sadness. Yes, I recommend it as a good romance. Bur it is not light hearted and fun.

Out Of The Woods

Sweet and straightforward

This is a sweet romance between Katie and Karl. A tale of growth and difficult choices. Christian faith plays a prominent role. A nice easy and very clean read.

Amish/Englishers

Another pleasant Amish story. They are so relaxing. Brings me to the green pastures of peace. Reminds me to be thankful.

Fantastic Book

Two Amish had parted ways for 12 years and meet again. The meeting and what happened after was very touching. Very nice, sweet book.
