Love's Test (The Mail Order Bride and the Faith Healer #3)

By Lucille Chisum

Love Test The Growlers

Rachel Willoughby is hurt, nearly crippled and in pain. And she's about to do the unthinkable.

After being run down by a horse-drawn carriage in downtown Baltimore, Rachel's broken leg still hasn't healed properly.

Love's Test (The Mail Order Bride and the Faith Healer #3)

Love Test The Growlers Lyrics

She's been forced to quit working as a school teacher, and her father, a general practitioner with a thriving practice, wants her to have another operation. To add insult to injury, the harsh, uncaring colleague her father recommended wants to break her leg again so he can reset it.

Terrified at the prospect of more pain and anguish, she finds a way out by answering the mail order bride advertisement of Dr. Aaron Jessup in Colorado. Dr. Jessup is known for his advance practices, along with the spiritual approach he takes in healing his patients.

Love Test The Growlers Chords

When she first arrives in Last Chance, Aaron seems to be the man of her dreams – he's kind, gentle and a brilliant healer, and Rachel thinks her problems have been solved.

In Book 3, Rachel learns the full extent of Aaron's deception and confronts him with her knowledge of the secrets he's been keeping, both from her and from his patients in Last Chance. Will their love and impending marriage survive the test?

Love Test The Best

Good book.

I liked this book very much! It answered a lot of questions from the first 2. I still think all three books could have n been written into one.
