The Cursed Gift Walkthrough

Alex Bane is a man with a dark past, a troubled young police officer who has cheated death on more occasions than he cares to remember. In the wake of a tragic accident, Bane finds himself suspended from the Force and struggling to reconcile his own guilt, but as the dust settles, he makes a chilling connection to an old case.

As the first anniversary of mysterious serial killer's death looms, Bane soon begins to suspect someone might be orchestrating his downfall from beyond the grave.
