Defy

By L.J. Shen

Defying Gravity

Defy is a smutty, insta-love, insta-lust short novella. Defy is a prequel to Vicious (Sinners of Saint #1). It is recommended, but unnecessary, to read Defy before reading Vicious.

Defy

Defying Gravity Lyrics

First included in Hot for Teacher Anthology: 19 Stories Filled with Lust and Love.

Defy

Defy Ventures

My name is Melody Greene, and I have a confession to make.

I slept with my student, a senior in high school.

Defy

Defy Media

Multiple times.

I had multiple orgasms.

Defy

Defy Meaning

In multiple positions.

I slept with my student and I enjoyed it.

Defy

Defy Definition

I slept with my student and I'd do it all over again if I could turn back time.

My name is Melody Greene, and I got kicked out of my position as a teacher and did my walk of shame a la Cersei Lannister from the principal's office, minutes after said principal threatened to call the cops on me.

Defy

Defy Partners

My name is Melody Greene, and I did something bad because it made me feel good.

Here is why it was totally worth it.

Defying

If you're a fan of student-teacher romance, then you don't want to miss this one. 'Defy' is the prequel to 'Vicious', the first installment in L.J. Shen's newest series entitled 'Sinners of Saint' and it was one hot little gem I've read in one sitting. It was sexy and steamy and everything I've come to expect from this author.

“Oh, Melody, you're so fucked. Luckily for you, you're about to get fucked even harder.”

'Defy' tells the story of Melody, a twenty-six young woman whose life changes c

If you're a fan of student-teacher romance, then you don't want to miss this one. 'Defy' is the prequel to 'Vicious', the first installment in L.J. Shen's newest series entitled 'Sinners of Saint' and it was one hot little gem I've read in one sitting. It was sexy and steamy and everything I've come to expect from this author.

“Oh, Melody, you're so fucked. Luckily for you, you're about to get fucked even harder.”

'Defy' tells the story of Melody, a twenty-six young woman whose life changes completely when her career as a dancer is finished after an accident. Now, a teacher at an elite high school, Melody hates her job, but forced by circumstances she has to do it as best as she knows how. Melody's life becomes more interesting when she's blackmailed by one of her students, the sexy as sin, arrogant senior Jaime Followhill. Jaime is a sex god and like nothing a high school student should be. “Poor” Melody is taken aback by her painfully blunt student who makes sure Melody knows how much he wants to f@ck her.

“Yesterday was an introduction,” he snapped. “Today | today, baby, I'm marking you as mine.”

Melody knows she should be disturbed or shocked by her student's confession, but she's anything but. She knows she shouldn't be so aroused by Jaime's dirty talking, but she can't help it.

What starts as a secret affair becomes in a short amount of time so much more for both of them, but what happens when someone finds out about their taboo relationship?

“I wanted him to kiss me. Kiss me hard and soft all at once, a kiss that'd assure me that I wasn't crazy for discovering what I'd just discovered on this tattered sofa in this tiny apartment.

Defy

That I was in love with my student.â€•

This was one hot as hell novella I really enjoyed! It was fast-paced, sexy, fun and pretty delightful. Despite the short length, 'Defy' had a well-developed plot and the story line was quite entertaining. The two main characters were well portrayed and endearing and to be honest I wouldn't have minded this one to be a full length novel.

Melody was a great heroine. She owned her sexuality from the beginning and she wasn't afraid to admit that she wants Jaime, which I really loved. Jaime was sexy, blunt with a hot, dirty mouth I must admit I loved. I enjoyed the way he chased Melody and how possessive and dominant he was at times. The intensity and the relationship between them were fantastic even if there were some insta-lust and insta-love between them. These two were hot as hell together, fun and they complemented each other perfectly.

â€œHe opened my mouth with his tongue and devoured me like I was his fucking last meal. His tongue attacked mine, owning my mouth, licking every part and swallowing my needy grunts.â€•

Vicious, the hero from the next installment in the series was fantastically introduced and I'm anxiously waiting to read his story.

Overall, a fantastic, entertaining hot novella!

Defy

After her dream career as a dancer comes to a tragic end, she is forced to pursue a lackluster job as a high school Literature teacher. With no real interest in teaching, she is less than enthused to face the spoiled rich kids than run the elite school where sheâ€™s been hired on a whim. It is no mystery to her that she doesnâ€™t belong there and that the Principal intends to fire her at the first opportunity that she gets. With her job on the rocks, Melody Greene does the unthinkable â€” she has an affair with her high school student.

Of course, Jaime isnâ€™t just any student. Heâ€™s the Principalâ€™s out of control son. It seems that both teacher and son have an axe to grind with the Principal. What better way than by having an illicit affair right under her nose?

While this novella was steamy and sordid, with a dose of forbidden, it was also surprisingly sweet. L. J. Shen did a good job of showing the softer side of Jaime, while staying true to the privileged, above-the-law young man that we were introduced to as one of the four Hotholes in â€”Viciousâ€™. There were really two sides to Jaime that were in stark contrast to one another.

Melody also proved to be a character that I really liked. She was so very human and flawed that she was easy to sympathize with. She was not blind to her faults or Jaimeâ€™s, but she loved him anyway. I loved that she chose to embrace her forbidden desires, pursuing a relationship with Jaime, knowing the controversy that would result. Similarly, I love that Jaime had the spine to stand up to his parents, even though it meant losing the wealth heâ€™d always known.

Overall, I thought that this was a fantastic novella. It was a steamy, short read and highly entertaining. If you enjoyed â€”Viciousâ€™, or even if you didnâ€™t, this is a great choice if youâ€™re looking for a taboo, forbidden love story. ...more

Melody is a 26 year old teacher who only ever wanted to be a dancer. When she got hurt, everything changed for her. Jaime is one of the four HotHoles in Todos Santos. He is 18 and he, along with his three friends Vicious, Dean, and Trent run the school. Melody is their teacher. And did I mention that Jaime's mom is the principal?

Defy is taboo. It's crazy hot, but it wasn't a quick, steamy read with no story. I felt the connection between this couple. After reading Vicious, I knew where they would end up and couldn't be more happy about that. I am loving LJ Shen's writing and this series in particular. I can't wait to read the next one! ...more
