

The background features a complex network of white nodes connected by thin purple lines, set against a gradient background that transitions from dark purple at the top to a bright pink at the bottom. The nodes are scattered across the frame, with some forming distinct clusters or shapes.

OH MY GOD L.J August is just too far away....no..no.. keep patience keep patience  
YOLO

I'm on my way my faithful Knight!

5, 10, no....all the million stars!! L.J. Shen wrecked my soul with this one. The angst level was unreal. My heart broke and healed and then broke, but this story. There are no words. I'm telling you. Get tissues. Get wine. Settle yourselves for the ride of a life time, and be prepared to be put through the emotional wringer in a way only L.J. shen can.

THE ORDER HAS CHANGED.

This is now book #2 and no longer #3.

If you read my first update from Apr 6, 2018, you know I was hoping for this.

Omg I'm so happy I will not finish the series with this book.

I really am, but I was hoping to see him change (in Angry God) before he gets Luna, sigh.

This complicates my Angry God's pre-review which until recently was book #2, lol.

I hope you all will shut up about Vaughn and Luna now.

Just finished Pretty Reckless... And this is going to be some nonsense crap.

I really hope the heroine won't be Luna. She deserves so much more.

But apparently they œhave some long, elaborate, angsty childhood friendship that™s dancing on the edge of more• .

Broken Knight

And this is the hero: "Knight's hair is so tousled and his lips are so puffy it looks like a bear has assaulted him. Guys are so weird. They can love a girl to death but still mess with other people."

LOVE. Really bitch, really?

This is getting so old, it's not funny anymore.

Can I give it 1 star only because it's the son of that piece of shit? Yeah, still not over that.

I hope the order will change. I don't want to finish the series with him. Nope.

I'll forget in two yea... ha ha, no. That's why I write pre-reviews, but maybe I'll be less annoyed (and annoying) in 2019/20. ...more

rip vaughn+luna cause LUNIGHT IS HAPPENING!! you better not shatter my hope completely and kill off josie too!!!

This book gave me allllll the feels! One of the best books I've read this year. All of L.J.'s characters are phenomenal, but these two hold a special place in my heart.
