Food You Love But Different

KEEP YOUR FAVORITE DISHESâ€”JUST MAKE THEM BETTER

Food You Love Or Hate

This one-of-a-kind cookbook is Danielle's love letter to her favorite foods: the easy, comforting ones that we all go to time and time again. But now, better. Yes, you can have your mac & cheese, but try it with Boursin Pepper cheese and you'll feel like you've reinvented the wheel. Nobody is going to say "no" to a cheeseburger when you add in some secret spices and pick the right type of beef. And who would have thought that fried rice could be livened up with just curry and some coconut milk?

Food You Love Book

Covering your every need, from breakfast and lunch to dinner and desserts, never again will you waste all your time in the kitchen only to have a meh meal. These are the dishes you love with some incredible but easy changes to keep them exciting. Consider your meals (and sanity) saved.

I haven't tried out any of these recipes yet, but the book is so aesthetically pleasing. Gorgeous photographs. It has a really nice, clean, down to earth, minimalist feel and look and the pages are excellent quality. I love flipping through. I'm excited to try out the foods I eat all the time with spices I normally don't. The recipes are short, only a few ingredients and I love that. There's a lot of things I eat, like crepes! And it's nice to get an idea on how to mix it up from how I normally I haven't tried out any of these recipes yet, but the book is so aesthetically pleasing. Gorgeous photographs.
