

The background features a complex network of white nodes connected by thin white lines, set against a gradient background that transitions from dark purple at the top to a bright pink at the bottom. The nodes are scattered across the frame, with some forming larger, more prominent clusters.

White Red Ampere Reo

A few short months before, I'd juggled three men in my life, and then suddenly there were none. Today, one was staging a comeback, and I wasn't sure what to do about that. In the meantime I was free to date whoever I wanted. Even a ranking member of the mafia as part of a part-time job.

Red And White Ampersand

Izzy McNeil is hot on the trail of one of Chicago's most notorious gangsters. Not that he realizes the crimson-tressed enchantress, a self-proclaimed "elapsd lawyer," is moonlighting as a private investigator. But when an unexpected run-in trashes Izzy's cover, she's swept into an evil underworld where she is definitely not safe. That is until Izzy receives help from an unlikely source: the ultimate guardian angel. And the last person she ever dreamed she'd see again. Now Izzy is racing from Chicago to Rome, all the while battling personal demons, Mafiosi killers and Code Red emergency desires.

This was another solid book in this series, but I felt like it did drag on a little in parts. Mostly full of action and interesting twists and a lot of good character development. I love Laura Caldwell, she has a really interesting writing style, and Izzy is a great, gutsy character. The ending felt a little abrupt for being the 3rd book in a trilogy - I'm hoping she plans to write another one and not leave me hanging here! I want to know what happens with Theo, Izzy's dad, her aunt, and the guy

The ending felt a little abrupt for being the 3rd book in a trilogy - I'm hoping she plans to write another one and not leave me hanging here! I want to know what happens with Theo, Izzy's dad, her aunt, and the guy that her friend met in Italy (now I can't remember his name....) The loose ends feeling is another reason for the 3 stars instead of 4 on this. ...more
