

The background of the cover is a gradient from dark purple at the top to a lighter pinkish-purple at the bottom. Overlaid on this is a complex network of white circular nodes connected by thin, light purple lines. Some nodes are larger than others, and the connections form various geometric shapes and patterns, resembling a constellation or a data network.

A Hundred Anecdotes Of Animals

Walt Whitman - Poet | Academy of American Poets Walt Whitman - Poet - Born on May 31, 1819, Walt Whitman is the author of *Leaves of Grass* and, along with Emily Dickinson, is considered one of the architects of a uniquely American poetic voice. Detroit: Urban Laboratory and the New American Frontier ... The troubles of Detroit are well-publicized. Its economy is in free fall, people are streaming for the exits, it has the worst racial polarization and city-suburb divide in America, its government is feckless and corrupt (though I should hasten to add that new Mayor Bing seems like a basically good. 10 Surprising Secrets From Apollo 11's Historic Moon ... This year is the 45 th anniversary of the Apollo 11 moon landing, the first time humans walked on the moon. The iconic imagery and audio from the mission is certainly seared into humankind's™s.

Alternative Treatments | Alzheimer's Association A growing number of herbal remedies, dietary supplements and "medical foods" are promoted as memory enhancers or treatments to delay or prevent Alzheimer's™s disease and other dementias. Claims about the safety and effectiveness of these products, however, are based largely on testimonials, tradition and a rather small body of scientific research. Recovering Grace: A Bill Gothard generation shines light ... Recovering Grace exists to help people harmed by the teachings of Bill Gothard, the Institute in Basic Life Principles (IBLP), and the Advanced Training Institute (ATI). Recovering Grace provides a unique perspective in that it was founded and is operated entirely by adults who were raised as children in Bill Gothard's Advanced Training Institute. Rare and Amusing Insults: Pillock, Mooncalf, and More ... Definition - an unprincipled but shrewd person. There is much that we do not know about snollygaster: where the word comes from, whether it is connected to snallygaster (œa mythical nocturnal creature that is reported chiefly from rural Maryland, is reputed to be part reptile and part bird, and is said to prey on poultry and childrenœ•), and whether this is the sort of word that one should.
