Survival fiction, narrative structure, and Maslow's ... A survival story starts with things being really bad and then slowly has them get better and more stable, as opposed to the traditional narrative structure that has things become their worst at the end of the second act. If things get better with every step, then the plot runs a real risk of moving from high drama to low drama, petering out in. The 25 Most Incredible Survival Stories of All Time ... Callahan's autobiographical account of the story, Adrift, is a gut-wrenching book that clearly details the extreme mental toughness required to survive at sea. I often cite Callahan when I teach the importance of leadership in a survival situation. Even though Callahan was alone, his mind divided into a "Captain" character and a "crewman.
