

The background of the entire page is a gradient from dark purple at the top to a bright pink at the bottom. Overlaid on this is a complex network diagram consisting of numerous white circular nodes of varying sizes, connected by thin white lines. Some nodes are larger and act as hubs, with many lines radiating from them. The overall effect is that of a digital or social network.

8 Insider Secrets for Creating Photos That Sell ~ Creative ... The distinction is important. Selling your photography in a gallery is about aesthetics. It's enough for a photo to be beautiful, that's all someone needs to decide that they want to hang it on their wall. When you're selling your photos in an online marketplace though, the story is a different one. Here, the customer tends to be someone else. How to Sell Your Photos in Local Photography Galleries Some of your photos may have a market outside of local galleries, and not inside local galleries. It all depends on what you're taking photos of. Things like international landmarks and landscapes, and portraits of famous people may well sell to a larger audience, but they're going to be less popular in a local market.
