## Win Them Over In Spanish

Private Equity: How to Analyze a CIM Effectively? I've been screening CIMs for a number of years now and the truth is that everyone has their own personal style. I prefer to review them at night or over the weekend when I can have a period of uninterrupted reading. I usually start by doing a 30 second flip through the financials to get a high level impression on size, margins, growth, and most importantly, ability to generate free cash flow.
