Thoughts on engineless sailing - Cruising Anarchy ... Our current boat is heavy, slow to tack and does not go up wind very well, a rather poor choice when totally dependent on sailing ability to get where you want to be. She is the boat we have and it has worked out but we have spent a lot of time thinking about design for our type of cruising and have recently bought a new boat that ticks a few. Wind and Tide: An Introduction to Cruising in Pure S ... Wind and Tide is a book about sailing. It is perhaps the only book published in recent years that has dealt with sailing and pure, engineless sailing craft in such an effective manner. Not an academic exercise or a mere exhibition of traditionalism Wind and Tide describes in practical, useful detail the techniques and attitude involved in sailing.
